

# MARICOPA COUNTY FIREPLACE RETROFIT PROGRAM (MCFRP)

## WHAT IS MCFRP?

MCFRP is a pilot program designed to reduce air pollution in your neighborhood by modernizing wood burning fireplaces.

Air Pollution  
Reduction Device

## WHO IS ELIGIBLE TO PARTICIPATE?

Homeowners who have fireplaces and who live within the pilot boundary area:

- Northern Avenue to Baseline Road
- 16th Street to 59th Avenue

Downtown Phoenix - New Year's Eve Smoke

## HOW DOES THE PROGRAM WORK?

MCFRP will, at **no charge** to the homeowner, retrofit a wood burning fireplace with either:

- An air pollution reduction device, or
- A natural gas log set (if the home is already plumbed for natural gas)
